**We need 100% of us committed, 100% of the time to flatten the curve and prevent spreading!**

The next two weeks are critical. We must stay home, physically distance and take every precaution to keep this out of our community. Thank you for your help and doing your part!

**THANK YOU** Public Works staff, Natural Resources staff and Social Development staff for ordering, creating and distributing food hampers to every single home in the community! Thank you for taking every safety measure to make sure we are safe.

**THANK YOU** community members for having bins ready for pick up and for being home to receive food hampers.

We are working hard to find financial supports for community and band members.
