Message from Dr. Bonnie Henry

Our efforts are working in BC. Safe physical distancing and self-isolating is slowing the spread. KEEP THIS UP!!!!

The vast majority of transmission is coming from outbreaks. We cannot have hot spots flare up.

BC is making plans to ease restrictions. Plans are being developed over the next 4 days. We are taking the time to do them right and to meet the specific conditions in BC. We must provide a consistent framework. Details will come in the following days from Dr. Bonnie Henry.

SIB is committed to safeguarding the health of the community and employees. As we hear about easing restrictions from Dr. Bonnie Henry and Health Minister Adrian Dix we will create Skeetchestn's plan that prioritizes health and safety.

Be Mindful Of Others

Please continue to physically distance. The life you save may be your elder or your neighbour.

Please continue to stay mentally and physically strong and engage in healthy activities.

Be calm, respectful, safe and generous with one another.
