Update from Dr. Henry and Minister Dix

Physical distancing is saving lives.

We are slowly easing restrictions. It is important expand our social circles extremely slowly.

As you expand your circle, do so by meeting outside, ensure you are 2 meters (6.5 feet apart), decide the few people you will see in person and stick to that.

Gatherings of over 50 will not be allowed for long time, until there is a vaccine or community immunity. Any meetings/gathering with those outside those you live with should include physical distancing.

Be calm, respectful, safe and generous with one another.
