What your Emergency Operations Team is doing:

We are working hard to find financial supports for community and band members.

We are creating food and supply hampers for families with children under 18 and elders on reserve. We will then work on hampers for other community members on reserve.

We will be checking in with community members by phone on Tuesday, March 24 and Wednesday, March 25 to find out how you are doing and what needs exist.

**Be calm, respectful, safe and generous with one another.**
